## FEBRUARY CHAMBER COFFEE HOST

### Henry County Diagnostic Center

The Henry County Diagnostic Center is a new 10,000 square foot facility which integrates state-of-the-art technology with convenience, comfort and communication to ensure that you have the best experience possible. The Diagnostic Center renders Outpatient services.

The population we serve includes all different age groups, from newborn to geriatric patients. The center provides all services during regular business hours, Monday through Friday, 8am to 5pm.

This technically advanced Imaging facility is a place where our exceptional Radiologists read images from the most advanced digital imaging equipment available. This means that images are viewed electronically rather than on traditional film. Digital imaging provides clearer, more detailed images. Patients are now able to have their outpatient exams done in a timely manner with easy access with a patient drop off and close parking.

The Center is accredited by the American College of Radiology, The Joint Commission, and certified by the FDA. All radiologists are board certified by the American College of Radiology

HCMC now offers Order Facilitator for online requests for outpatient testing by a referring physician.

Routine X-rays and Laboratory services are offered at the diagnostic center and do not require a patient to have an appointment. Routine X-ray exam include exams such as chest, abdomen, spine, legs and arms.

To learn more about imaging service for the Diagnostic Center call (731) 644-8533 or Main Hospital (731) 644-8480.

Join us for the Chamber Coffee on Tuesday, February 26!

Services offered at the facility include:

- Cat Scan
- MRI
- Ultrasound
- Diagnostic X-Ray
- EKGs
- Laboratory
- Pre-admission testing
- Specialized Women's Imaging
- Diagnostic Mammography
- Screening Mammography
- Breast Ultrasound
- CAD: Computer-aided Detection
- Bone Densitometry

Paris-Henry County  
Chamber of Commerce  
is to improve the economy  
and quality of life in our  
community.*

## From The President **JEFF SEATON**

Winter seems to be the perfect time to take a class and we are pleased that our third offering of Small Business Basics has over twenty people learning all about entrepreneurship. I have taught the employment session of these classes all three years and am always impressed by how inquisitive and eager to learn the class members are. We always have a mix of established businesses and potential startups, making it possible for the class to learn from one another as well as the faculty.

USDA has generously supported this program, which began as a pilot and continues to serve our whole region. Brian Foster, Landmark Realty, and Landy Fuqua, REED Center at UT Martin, kicked off the first night with writing a business plan and a personal journey to entrepreneurship. New to the faculty this year are Lisa Tyler and Stacy Sain, both doctoral candidates who have offered personal tutoring for anyone who needs assistance writing their business plan.

Our facilitators have changed this year too. Jennifer Hayden, Hamilton-Ryker, has moved into the chair and Kevin Buie, K and B Supplies for Success, is the co-chair. Jennifer had served as co-chair and Kevin is a program graduate. Both are members of our Board of Directors and work hard to assist the Chamber.

Check out all the photos from the Healthcare Expo over the weekend. Healthcare is an important industry to us and we are happy to offer this opportunity to showcase our local businesses.

Martin Luther King, Jr. once wrote, "Life's most persistent and urgent question is, 'What are you doing for others?'" Here at the chamber we are constantly striving to find ways to answer that question. It is our quest to find ways to serve our members and our community in the most effective and efficient manner. We need your help in making that possible. Your input is valuable and we appreciate all the support you have given us!

## From The Executive Director **JENNIFER WHEATLEY**

Check out the photos of our Healthcare Expo in this newsletter! This event began ten years ago because so many of our members and supporters of the Small Business Expo were in the healthcare industry and it has continued to be a tremendous showcase. We were partners this year with Paris Civic Center, Tennessee Valley Community Church, Henry County Medical Center, the Healthcare Foundation and the Henry County Health Council's "Healthy Henry County" program, which gave us the advantage of their support and the participants of the 5K Scrub Run.

Our vendor supporters included Tomorrow's Hope, Eastwood Pharmacy, Morningside Assisted Living, Paris Healthcare, Tennessee Quality Home Care, Care All, Rosestone Retirement, Farm Bureau, Paris Healthcare, Volunteer Home Care, Acupuncture of Paris, Cane Creek Healthsouth, Behavioral Health, ADT, Campbell Therapy, TVCC Celebrate Recover, Walgreen's, Carey Counseling Center, Tennessee Quality Home Care, Farm Bureau, Care All, Youth Villages, Henry County Orthopedics, Paris Family Chiropractic, Paris Civic Center, Eiffel Gardens and Henry County Medical Center. The presence of these businesses in our community allows us to provide a diversity of healthcare options in a rural community.

Our Healthcare Committee is Chair Stacia Puckett, Paris Surgical Specialists; Chip Anderson, Bone and Joint Specialists; Sandra Ray, Henry County Healthcare Center; Blaine Lee, Paris Healthcare; Angie Dotson, Henry County Medical Center; Tony Lawrence, Paris Civic Center; Carlton Gerrell, TVCC; and Tory Daugherty, Henry County Medical Center. This group works hard, communicates their passion for their community and contributes through cooperation, the very essence of how a Chamber of Commerce pulls resources together.

We are always planning the next event and there is always a seat for you at the table. Make the most of your membership.

# The Chamber of Commerce's **HEALTHCARE EXPO**

"Healthy Henry County"

Sponsored By: Henry County Medical Center • Henry County •  
Health Council • TVCC • Paris Civic Center

Henry County Healthcare Foundation's 5K Scrub Run was part of the day's events at the Paris Civic Center.

Eiffel Gardens vendors greet visitors.

Walgreens' Mike Bradley is always an expo favorite.

Crowds are lined up for the HCMC testing and info booths.

Eastwood Pharmacy met with patrons.

Dana Horvath of Acupuncture of Paris discusses treatments.
