Executive Assistant: Holly Barker

Dear Chamber members,

I am thrilled to be a part of the team here at the Paris-Henry County Chamber of Commerce and looking forward to all that my position as Executive Assistant has to offer.

I am originally from Henry County and grew up in the Springville area with my parents, Clif and Robin, and little sister, Hannah. While I attended high school, I was active in the Madrigals and the Henry County High School's theatre program. Upon graduation, I made the decision to further my performance skills and talents at Lipscomb University in Nashville, TN where I received my B.F.A in Theatre in the spring of 2014. I got engaged to Damon W. Todd of Paris, TN in the fall and recently moved from Nashville to Paris, TN, where we plan to start of our life together as a married couple. We will be getting married on May 3rd of this year.

Everything fell into place from the time I moved in December to the time I received my position at the Chamber as the Executive Assistant. I am blessed to be here and hope to bring great energy and effort to my work in making Paris-Henry County a great place to live.

The mission of the Paris-Henry County Chamber of Commerce is to improve the economy and quality of life in our community.

The Paris-Henry County Chamber of Commerce and the Paris-Henry County Industrial Committee, a cooperative effort of the city

and county, work jointly as the Henry County Alliance to achieve the economic development goals of Henry County.
