MARCH CHAMBER COFFEE HOST JC Educational and Office Supply

JC Educational and Office Supply started in 1995 as strictly a retailer to the K-12 school market of West and Middle Tennessee. But in 2012 things began to change drastically. In May of that year owner Dan Jackson opened his "try it before you buy it" office furniture showroom. This quickly morphed into selling a full line of office products to business and consumer markets.

Since 2013 Lisa Miles, sales representative, has worked onsite with customers in Henry, Weakley and Benton Counties.

Amy Jones, our office and store manager is there to serve you Monday through Friday and can answer most any questions you have regarding our product lines.

our team of support personnel as we custom install much of the furniture we sell.

In 2014 we became a member of a large office products buying group. This has enabled us to save you significant amounts of money on any office supplies you purchase.

And while we've been more than competitive in our furniture market since day one, we can now be just as competitive in office supplies!

There is a great misnomer regarding bigger nationwide companies vs. the hometown supplier. We routinely compete and beat Quill, Office Depot, Staples and Wal-Mart! And we deliver straight to you, on average in 1-3 days!

Whether it is printer toner, or standing height desks, promotional pens or a comfortable office chair, Post It Notes or reception furniture, JC Educational and Office Supply provides it for you, Henry County at the best deal possible!
