NOVEMBER CHAMBER COFFEE HOST Henry County Sheriff's Office

Sheriff Monte Belew would like to invite everyone out to the Henry County Sheriff's Office on November 25th for the Chamber coffee. The Henry County Sheriff's Office is proud to serve our community in any way we can. Over the past eight years, Sheriff Belew has implemented many new programs to better serve and protect Henry County. One of those programs is our Inmate Garden. This garden is maintained by the inmates at the Henry County Correctional Facility.

The vegetables that are grown are used for meals within the correctional facility and are also given away on specified days to the citizens that are in need throughout the community. We are also proud of our "Deputies for the Hungry" program. The Sheriff's Office has a facility on site which takes in harvested deer from officers and citizens of Henry County. The deer are processed through the help of inmates and then given away to citizens in need on designated days at the Sheriff's Office.

The Henry County Sheriff's Office Animal Shelter is designated for abused or neglected animals. The Sheriff's Office makes attempts to have the people in the community adopt the pets through promoting the process through Facebook and various public appearances with the animals.
