"HCMC decided to move into the DME market because the local provider was bought out and not supplying certain supplies and equipment any longer to the community," said Tucker. "As a hometown, community-focused hospital, HCMC did not want to see patients have to travel to get supplies or wait on supplies with no local education or customer service available. It is hard enough when you are dealing with a health problem, but to have to wait on supplies or not have the supplies you need readily available with support was just not acceptable to HCMC."

HCMC In Home Equipment + Supplies also offers daily aids for living, compression hosiery, and orthopedic bracing as well as a wide range of lift chairs, diabetic supplies, ostomy supplies, urologic supplies and all respiratory products.

You no longer need to drive far to find great equipment, and we'll even deliver it to your home if needed. For more information, contact us at 731-644-8410 or toll-free at 1-844-DME-HCMC. You can stop by with any questions at our location, 311 E. Wood St., Paris, Tennessee, Monday-Friday from 8 a.m. to 5 p.m.
