lunchroom is the perfect venue for parties, weddings, meetings, and concerts, and we also have a meeting room for various club meetings. Several civic organizations already take advantage of our facilities.

We are proud of our building, which was saved from deterioration and restored lovingly to the grandeur of its historical past. We continue to maintain it as a proud anchor of the historical neighborhood in which it sits. We are happy to announce that we now have an administrative assistant who will be at the school on Tuesday - Thursday of each week from 10:00 - 2:00 to offer assistance and answer any questions you may have. We are also happy to announce we have a new Creative Director who will be guiding us through even more expansion of classes offered and events scheduled, so keep your eye on our schedule of offerings as we go along. We continue to create ways to serve our community through our events and classes, and there is truly something for everyone, young or old, male or female! All this information will be on our web site at [www.schoolforthearts.org](http://www.schoolforthearts.org), as well as on our face book page, so check us out!
